

August 2020

Dear ME STRONG Community,

The charitable organization ME STRONG invites you to become a sponsor of our 2021 celebration, "10 Years STRONGER". Through volunteer efforts ME STRONG has donated well over a million dollars to ease the financial burden for individuals undergoing cancer treatment and to support research efforts in search of a cure.

The unprecedented Covid-19 pandemic has impacted us all as we are faced with many new daily challenges. ME STRONG's commitment is unwavering in serving its mission. Through ME STRONG's "10 Years STRONGER" we have the opportunity to persevere by joining together in spirit to make our message clear that no individual is alone in the battle against cancer.

January 30th- February 28th our ME STRONG community from near and far will have the opportunity to let their spirit and creativity shine by mapping out their own 5k paths to support the mission of ME STRONG. Whether it be running, walking, cycling, swimming, paddle boarding, dancing, or even skiing, we challenge participants to show the strength and resiliency of the ME STRONG community. On January 30th ME STRONG's "10 Years STRONGER" will kick off with a highly spirited drive through Packet Pick Up where sponsors will be given an excellent opportunity to showcase their business and commitment to supporting the mission of ME STRONG.

Each year ME STRONG strives to exceed all event expectations for our participants and sponsors. We hold our ME STRONG community to the highest esteem. We would be honored to welcome your business as a sponsor of ME STRONG's special "10 Years STRONGER" celebration. We hope we can count on your support by joining like-minded business owners who believe in building strong compassionate communities.
