

Dear ME STRONG Community,

ME STRONG invites you to join us as a sponsor of the 2022 ME STRONG 5k on February 5th. This highly anticipated event is known for its extraordinary spirit and its ability to unite thousands of devoted individuals committed to supporting family, friends, and neighbors in the fight against cancer.

In 2012 ME STRONG was founded to act as a guiding light encouraging others to support community members navigating life with a cancer diagnosis. What started as a dream grew into a movement that we could have never imagined. Thanks to the support of people like you, ME STRONG has given nearly \$2,000,000 offering financial support to more than a thousand Central Floridians and to fund research in search of a cure.

The ME STRONG 2022 5k will be remembered as an extra special event as it will be The Final Victory Lap for The ME STRONG 5k. It will be a celebration of the extraordinary accomplishments of our ME STRONG Community. Although we are very proud of the significant amount of money raised and many families we have helped; it's when we reflect on the last decade of ME STRONG we recognize what has brought us the most joy. Through the power of friendship thousands of individuals have been inspired to be a ray of light and hope by making a difference in their communities.

The ME STRONG 5k event provides an excellent opportunity to showcase your business and your commitment to offering a helping hand to community members undergoing cancer treatment. In addition to supporting an event where 100% of sponsorship donations are directed to supporting the ME STRONG mission; the 5k event provides an exceptional opportunity for you to join like-minded business owners who believe in giving back to their community.

We hope you will join us in beautiful historic DeLand as we take our final victory lap to close an era that has impacted our community in such a meaningful way. Deadline for sponsorship is January 7, 2022. If you have any questions or would like to discuss your involvement further, contact Kim Winters at (386) 848-2062 or KWinters@mestrong.net.
